Describe your experience with the Dubai Roadsters:

I have had the pleasure of riding in the UAE since 2000 and started with the initial Roadsters Group in 2004. It has been great to see cycling grow as sport in the UAE. We have had so many fantastic rides - Hatta, Jebel Hafit, Coast to Coast as well as the regular Friday rides.

Preferred Dubai Roadsters Ride: Hatta-Kalba but really any ride is a great ride.
