Describe your experience with the Dubai Roadsters:

On my 2nd day in Dubai in 2006 I found the Friday ride and it really has been the saving grace of this place. I love the community, the people, the comrades and the fun of the rides. It is about as close to cycling perfection as one can get.

Preferred Dubai Roadsters Ride: Friday 120 K ride . . . Especially as we hit 60+ along Ras Al Khor . . . !!
