### 1. Thank you Mövenpick!

Dear Michael,

What a perfect evening we had on Sunday!

We would like to thank you and the Mövenpick staff for the superb catering for our Tour de France Party in Wolfis Bike Shop.

The food was like always very delicious and your staff did a great job.

Everybody from the Dubai Roadsters, and of course especially us, appreciate very much your big support and the great food and drinks you sponsored.

Thanks again and I hope to see you Friday morning on the bike.

Take care

Wolfi

## 2. Cape Argus – The Final Stage

For the final installment of the Cape Argus Ride, as described by Peter Graves, see the attachment "July 2007".

## 3. Ride of the Roses – Friday 17 August

To support the International "Ride of the Roses", the Friday Ride on 17 August will be dedicated to the Roses.

If any of you would like to make a donation, Wolfi's will happily collect and forward all donations to the Ride for the Roses Charity.

## 4. Jebel Hafeet Climb on Friday

Anyone interested in a hill climbing ride this Friday?

Grant Salter is planning a ride up Jebel Hafeet this coming Friday. If you're interested in joining him for this please contact him at [grant.salter@gtuae.net](mailto:grant.salter@gtuae.net) for more details.

## 5. Bits 'n' Pieces [Profile Carbon Stryke & Schwalbe Ultremo tyres

### Profile Design Carbon Stryke™ AED 690

**Features:** The Carbon Stryke™ is the perfect upgrade for the athlete that started out with our Aerolite™ but is now ready for a high end upgrade. The Carbon Stryke™ is a product solid enough to be the official aerobar of Ironman® and the choice as original equipment on triathlon bikes worldwide.

- MULTI-FIT System™ fits 26.0mm & 31.8mm bars
- Includes F-19™ length, width, and rotationally adjustable anatomic armrests
- Full carbon aero extensions allow for internal shift cable routing
- 6061-T6 forged aluminum brackets
- Length, width, and rotational extension adjustment

- Provided with rigid ZB™ arm bracket system
- Compatible with climbing friendly flip-up ZB™ arm bracket system
- Carbon black
- 520g

**Schwalbe Ultremo Tyre**  
**AED 200 each**

Schwalbe's premier tyres are used by the Gerolsteiner team. They have a High Density Vectran guard for protection plus a triple compound for durability and speed and live up to their reputation as one of the best rubber offerings on the market. (As reviewed in Ride Cycling Review)

**5. Dubai Roadsters have Road Rides for everyone**

I wanted to remind everyone that the Dubai Roadsters have group rides every Tuesday and Sunday evenings at Nad Al Sheba. This is on a closed circuit and caters to all levels of rider. The rides begin at approximately 7.30pm, though there are always riders training here, and you can finish whenever you wish.

For the more experienced there is a longer Ride every Friday morning, starting at the Lime Tree Café on Jumeirah Beach Road at 5.30am. This ride attracts around 70 riders and there are 3 distances that you can do; 70km, 100km, or 120km. The Ride finishes at the Café where you can enjoy a great coffee and meet all your fellow cyclists.

If you would like further information about these rides including maps, please email me at [david@wbs.ae](mailto:david@wbs.ae) and I will send the information to you.
